

FY26 Sales Guidance

Global electric vehicle company, **Vmoto Limited (ASX: VMT)** ("**Vmoto**", or the "**Company**") is pleased to advise that the Company has received increasing orders and positive order plans from its existing and new customers and consequently, expects to achieve sales revenue of between \$73.5 million and \$85 million for FY26. This represents an increase on FY25 revenue in the range of 57% to 82%.

The Company also expects its strategy to act as an e-mobility full solutions provider, it will continue to ramp up its international growth driven by existing agreements with last mile delivery app companies such as Uber, on-road legality of motorcycles in China and the banning of petrol motorcycles in numerous CBD's in countries such as Vietnam.

Vmoto's Managing Director, Mr Charles Chen said: *"I am delighted to announce we expect to deliver a significant increase in sales for this financial year when compared to FY25. We remain confident that as a result of the increasing opportunities in last mile delivery markets in particular, the business will continue to deliver strong growth throughout key international markets, resulting in increasing revenue and profit from various markets including Vehicle-as-a-Service (VaaS), Energy-as-a-Service (EaaS) and Data-as-a-Service (DaaS)."*
