## Appointment of Non-Executive Director

Yugo Metals Limited (**ASX:YUG**) (**Yugo Metals** or the **Company**) is pleased to announce the appointment of Mr Cameron Peacock as a Non-Executive Director of the Company, effective immediately.

Mr Peacock is a highly regarded capital markets and corporate development executive with more than 25 years of experience across the resources, banking, private equity and investment sectors.

Throughout his career, Mr Peacock has played a leading role in the growth, financing and strategic development of ASX-listed resource companies, with extensive experience spanning investor relations, corporate finance, business development, capital raising and market engagement.

Most recently, Mr Peacock served as Head of Investor Relations and Business Development at Nickel Industries Limited (ASX:NIC), where he was a key member of the executive leadership team responsible for supporting the Company's transformation into one of the world's leading listed nickel producers. During his tenure, Nickel Industries successfully executed multiple strategic transactions, expanded its institutional shareholder base and delivered significant growth in market capitalisation and shareholder value.

Mr Peacock has also held senior corporate development and investor relations roles with Santana Minerals Limited (ASX:SMI) and Alpha HPA Limited (ASX:A4N), where he played an important role in advancing corporate growth initiatives and strengthening engagement with domestic and international investment communities.

Having participated in numerous equity and debt financings across the resources sector, Mr Peacock has developed an extensive network of institutional investors, resource-focused funds, private equity groups and strategic industry participants globally.

The Board believes Mr Peacock's deep capital markets expertise, investor relationships and proven track record in supporting resource companies through key growth phases will provide significant strategic value as Yugo Metals advances its exploration portfolio and executes its next stage of growth.

Mr Peacock holds a Bachelor of Commerce from the University of Western Australia, a Graduate Diploma in Applied Finance and Investment from FINSIA, and a Master of Applied Finance from the University of Melbourne. He currently serves as a Non-Executive Director of ASX-listed FMR Resources Limited.

**Executive Director & CEO, Petar Tomašević, commented:**

*"We are delighted to welcome Cameron to the Yugo Metals Board at a pivotal stage in the Company's growth.*

*As we prepare to commence our maiden drilling campaign at Sockovac and continue advancing our broader exploration strategy across Bosnia and Herzegovina, it is important that we continue strengthening the Board with individuals who bring proven capital markets expertise and deep industry relationships.*

*Cameron's appointment reflects both the quality of our project portfolio and the growing opportunities ahead of us. His extensive experience supporting resource companies through exploration, development and market growth cycles, together with his strong relationships across the global investment community, will be highly valuable as we seek to unlock the full potential of our assets.*

*We are entering an exciting phase for Yugo Metals with a growing pipeline of exploration targets and a clear strategy to validate and build upon historical drilling success, we believe the Company is well positioned to deliver meaningful news flow and create long-term value for shareholders.*

*Cameron's appointment further strengthens our Board as we work towards confirming historical drilling results, advancing new exploration initiatives and positioning Yugo Metals for its next phase of growth and discovery."*

*This announcement has been authorised for release by the Board of Yugo Metals Limited.*
