ASX ANNOUNCEMENT**

4 August 2026

Company Update

Zoono makes strong start to the FY27 year

Zoono Group Limited (**Company**) (ASX: ZNO) is pleased to update the market on continuing shelf-life extension orders.

Shelf-life extension project

In line with expectations set out in the Company's Quarterly Report (Appendix 4C) lodged with ASX on 7 July 2026, further orders have been received in July of circa NZ\$700K (with unaudited sales of NZ\$625K and an unaudited profit of NZ\$110K in July). In addition, accelerated payment terms have been offered by our UK customer.

Zoono expects further orders in September.

Online Sales

Online sales for July have also increased with the re-introduction for sale of our mould and foot guard products and body and surface wipes.

India

Good momentum is starting to occur in India in the agricultural sector with repeat orders.

This announcement has been authorised and approved for release to ASX by the Board of Zoono Group Limited.

About Zoono

Zoono Group Limited is a global biotech company that develops, manufactures and distributes a suite of scientifically validated, long-lasting and environmentally-friendly antimicrobial solutions. Zoono's mission is to improve health and well-being through innovative, safe, non-toxic and durable germ protection.

Zoono produces sprays, wipes and foams suited for skin care, surface sanitisers, and mould remediation treatments. The products are based on the 'zoono molecule', a unique antimicrobial molecule that bonds to any surface and kills pathogens including bacteria, viruses, algae, fungi and mould.

Zoono's products have received numerous regulatory approvals and the company's technology claims are supported by independent testing conducted in laboratories worldwide. Zoono is headquartered in New Zealand and its products are available globally.
